Tamy Ben-Tor
New Performance Work

My consciousness is a sponge absorbing all of contemporary filth.

The artistic process for me, in the form of a performance, is to solidify this sponge into a hard stamp tool and press it back onto the audience's consciousness for the duration of the performance.

At the end, I hope they come out of it stained, impressed, as I am, by the ailments of this time which we live in.

- Tamy Ben-Tor
